U-CRIS

The database of universities for storing scientific publications, doctorates, CVs

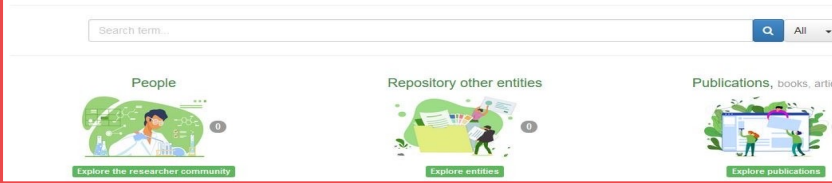

U-CRIS Universiteti Bujqesor i Tiranës

Platforma U-CRIS është databaza e universiteteve shqiptare për ruajtjen e publikimeve shkencore, doktoraturave, CV të stafit kërkimor, projekteve të kërkimit, etj. Platforma bazohet në arkitekturën DSPACE-CRIS e cila është adaptuar sipas specifikave EUROCRIS dhe CERIF. Platforma është e lidhur me databazat e rëndësishme të kërkimit si PubMed, Scopus, Web of Knowledge (WoS), Google Scholar dhe ORCID. U-CRIS mundeson edhe lidhjen me databazat evropiane të kërkimit open Aire. Platforma U-CRIS do të lidhet edhe me platformën kombëtare ACRIS e parashikuar për klasifikimin e IAL-ve në fushën e kërkimit shkencor.

The national platform for scientific research assessment

Each UCRIS platform from universities will automatically feed scientific research data in real time to the national research data platform ACRIS according to OS principles. Every 3 Year the MoES will rank the universities based on the research performance.

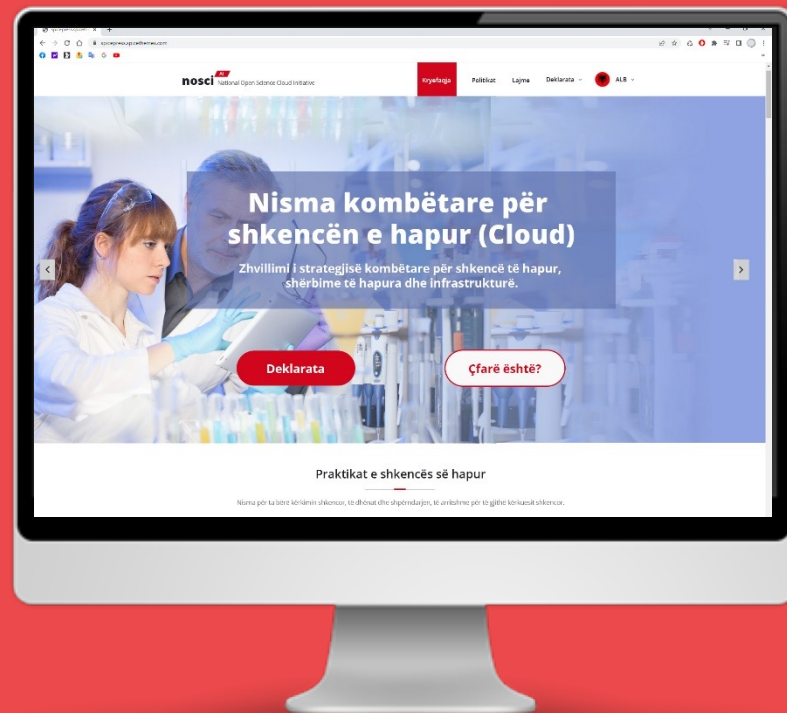

National Open Science Cloud – **NOSCI** Albania

Working on signing the
Declaration of the National Open
Science Cloud by respective
stakeholders

01

Inclusion of OS and OSC in the
Law on Research and Innovation.

ALBANIAN UNIVERSITIES RECTORS CONFERENCE

Albanian Open Science Portfolio Designed

Regulatory, Legal, Administrative

01

Build management capacities within universities on OS practices;

02

Development of the OS manuals and guidelines;

03

Establishment of the network;

04

Revise internal procedures (internal regulations) to enable universities to exercise OS;

05

Support universities to develop research infrastructure.

User engagement

Trainings and demonstrators

AI4OS | Albanian
Initiative for
Open Science

TRAINING:

- Training through RASH staff and experts about OS, FAIR & UCRIS with partners Universities
- Preparation of training material in Albanian language
- End national event about NI4OS – planned F2F meeting for half of 2022

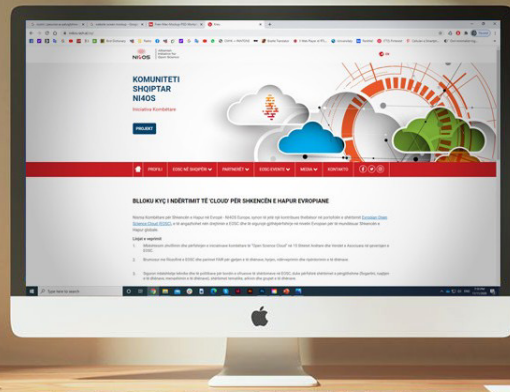

EOSC service uptake and FAIR uptake in Albania

Packaging, branding:

- NI4OS Albania project webpage
- Brochures & Leaflets for NI4OS project.
