Challenges

- Lack of understanding of OS/OD
- Lack of institutional policies on OS/OD
- Lack of motivation for researchers
- Underestimating the effort required

What we did

- **Lack of understanding of OS/OD**

Educate, educate, educate - we are good at education

- **Lack of institutional policies on OS/OD**

Create policies or blueprints, help guide the process

- **Lack of motivation for researchers**

Introduce awards, include in projects, promote work

- **Underestimating the effort required**

Educate, but also *ease* the IT/procedural effort required
